

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Around The Glades

Officials of the Glades Sugar House had beautified East Sugar House Road with a planting of handsome Palm Trees and they were getting off to a fine start when the ireeze hit a couple of weeks ago. From on-sight inspection it looks like several of them may be killed. A little bit of green is peeping out of the tops of a few and they may make it.

Speaking of the freeze again—
the poinsettias at Paul Rardin PTA will be host at a conference PTA will be host at a conference per conference of PTA organizations in Glades the cold spell a few weeks back. Area Six of the County Council It is beginning to look like it will to be held in Pahokee Tuesday be impossible to grow poinsettias night, Feb. 23. Also announced: be impossible to grow poinsettias in that particular spot. This is the umpteenth time that frost and freeze have devastated the plant-

A welcome sight in the Belle Glade area is the working equip-ment on Airport Road (Ice Plant Road) and the speed with which things are being done. The crew has been on the third of a million dollar improvement only a few days and already things are pop-ping. From the start that has been -with luck in the weatherthe four laned curb and gutter job should be completed ahead of time. The new road from SR15 over to SP715 at Chosen for a distance of more than a mile will be a dupli-cate of Avenue E in Belle Glade. the going to be a much needed and gladly welcomed piece of new and modern contruction. I had the pleasure of planning and appropriating the money for the job.

A new fence has been constructed at Canal Point school between the playground and US441 — the road to Pahokee. It is a beautiful piece of construction work and will prove its worth in keeping youngsters off the highway.

I had the pleasure this week of visiting the new offices recently completed at Glades Sugar House. They are modern in every respect and are located immediately east of the other offices. There is a of the other offices. There is a modern board room with plenty of space for the board of directors to meet without being cramped. General Manager W. J. Miller has a handsome new office as does President George Wedgworth. Mrs. E. A. Geiger, secretary, also is located in a beautiful new office. Several changes will be made when the occupants of the new offices move from the old offices. thus giving a great deal of much needed room to the other depart-

DOCTOR BUMPS DOCTOR. In ual collision Sunday night an unusual collision Sunday night on US441 in Canal Point, Dr. Wilburn C. Young and Dr. William T. Gist collided when Dr. Gist was making a turn onto the main highway off, a side street. Neither of the local doctors was seriously hurt.

W. S. Cross has returned to his home from Everglades Memorial Hospital and taken to Good Sa-maritan in West Palm Beach for

Pahokee PTA Host Area Six Groups

The Pahokee Parent-Teacher Association, at the February meeting in the high school auditorium with President R. C. Lane presiding, voted to recommend to the ing, voted to recommend to Ita; Palm Beach County Board of Public Instruction that any prop-erty adjoining the high school campus on the north and east be purchased for school purposes, if and when such property becomes available.

night, Feb. 23. Also announced:
The Palm Beach Junior College
Players will present George Bernard Shaw's play, "Androcles and
the Lions," in the Pahokee High
School auditorium Saturday night, March 27, under the sponsorship of the County Council of PTA. The program at the March PTA meet-ing will feature a concert by the

Pahokee High School Band.

Kyle Scott., program chairman, introduced Mrs. Barbara Pope of Pahokee, juvenile and domestic relations worker and counselor, and Mike Challancin of Belle Glade, Juvenile counselor, for the Glades area of Palm Beach County,

Heart Sunday Set For Glades Area

Mrs. Joe Tom Boynton, Heart Sunday Chairman for Pahokee for the second year, announces there will be a coffee at her home this Monday afternoon at 1:30 for all Heart Sunday volunteers from Pa-hokee and Canal Point. Mrs. D. L. Hooks is Heart Sunday Chairman

from Canal Point for second year,
Also attending will be Rupert
Mock, chairman of Pahokee's Business Drive, and the volunteers

Dr. F. H. Poteete will give a short talk on heart disease.

Miss Virginia McVey, executive director of the Heart Association of Palm Beach and Martin Counties, will be introduced.

All Heart Sunday workers are urged to attend this 'heart brief

other Heart Sunday chairmen in the Glades area are: Mrs. Mark Challancin in South Bay; Mrs. John D. Hemphill of Lake Harbor; Mrs. I. Nachman of Belle Glade.

TO LEAD REVIVAL

REV. BEN WILLIAMS

Methodists Plan Revival Feb. 18-25

Canal · Point Methodists planning for a revival meeting to be held at the Methodist Church February 18 to 25, according to the pastor, Rev. James Baugher. Rev. Ben Williams, who led a revival here last year, will be back

in the local pulpit and the sing-ing will be under the direction of Carter Berkeley, who also was here last year.
Schedule of the meetings show

Schedule of the meetings and that the service will start each evening at 7:30 p. m. and a cordial invitation is extended to all residents to attend.

Johnston Quits, Lilienthal Named

Henry Lilienthal, assistant coun-Henry Lilienthal, assistant county attorney, this week was named to head up a new county legal department. His appointment as county attorney came after a two-hour administrative session by the county commission.

The new arrangement will find The new arrangement will find County Attorney Harry Johnston, who has resigned as of March 1, extending his date of retirement until June 6 and continuing as an assistant to Lillenthal.
Lillenthal's appointment was to January 1, 1996. The new county attorney said he would keep Harry Johnston, Jr., as one of his assistants

The commission engaged in sharp debate prior to Lillenthal's selection for the post.

Assistant Engineer **Quits The County**

County Commissioners this week received the resignation of Tom McCarthy, assistant county en-gineer, effective March 1.

County Engineer George Frost said he hated to lose McCarthy and indicated the county's pay scale might have been the reason for McCarty cuitting

might have been the reason for McCarty quitting.

The board authorized Frost to replace McCarthy, undertake a salary survey and to employ three additional people in the engineering department to help out with traffic surveys on a year around schedule and to conduct field in-spections for the \$ million road program and construction of a new airport terminal.

Funeral Services Ruth Inez McAfee

Mrs. Ruth Inez McAfee, age 67, of Belle Glade died Wednesday, Feb. 3 at Glades General Hospital, Belle Glade. Sne has been a resi-dent of the Glades since 1939 coming from Glanwood, Georgia. She has been a resident of Belle Glade has been a resident of Belle Glade for the past eight years and was a member of the First Missionary Baptist Church of Belle Glade. She was survived by

She was survived by 3 sons: Harris T., Belle Glade; Julian David, Jacksonville; James Her-bert, Cocoa, Fla.; 3 Daughters: Mrs. Evelyn McDaniel, Glenwood, Mrs, Evelyn McDaniel, Glenwoch, Georgia, Mrs. De. vhy Hering, Clewiston, Fia. and Mrs. Jean Davis, Belle Glade witt. whom she made her home. One brother, W. D. Ussery, Glenwood, Georgia; Four Sisters; Mrs. Willie Pearl Woodward, Macon, Georgia, Mrs. Rachael Day, Almo, Georgia, Mrs. Naomi Johnson, Glenwood, Georgia and Mrs. Lola Carter, Pahokee.

and Mrs. Lola Carter, Pahokee
Funeral Services were held
10:00 a. m. Saturday at the Wetherington Funeral Home Chapel,
Pahokee with Elder Sidney MeLeod officiating and interment
was at Port Mayaca Cemetery,
Pallbearers were: J. R. Miller, W.
E. Cato, Bert Johns, Lester
Holmes, E. L. Pope and Robert
Norwood.

Otto Bleech Rotary Pin Given Widow

The Pahokee Rotary club honored the memory of Rotarian Otto Bleech, who passed away several months ago, in a special ceremony last Thursday when his widow. Mrs. Marion Bleech was presented

Public Invited To Hear Hal Hunter

Next Monday night at the Canal Point Lions club Rev. Hal Hunter, pastor of the Northwood Baptist church in West Palm Beach, will speak and his message will center around the need and possibilities of building a new Baptist Junior College in Palm Beach Gardens in West Palm Beach.

It is necessary that a sum of more than a million dollars be raised in order to take advantage raised in order to take advantage of an offer made by John D. Mac-Arthur in which he has donated 200 acres of highly valuable land for the college site. Rev. Hunter will discuss the complete set-up and all its ramifications.

Rev. Hunter is a former pastor of the First Baptist Church in Pa-hokee and many folks from there will probably want to hear him. Lions club officials said yesterday that the meeting will be open to the public at 7:30 and a cordial invitation is extended to one and all

24-Hour Course In Modern Math

Thirty-five adults coolled for the first classroom session in the 24-hour course in "Modern Math-24-hour course in "Modern Mathematics" Tuesday night. The course is being taught by Lee Kahle, instructor of mathematics at Pahokee High School, in eight three-hour classes each Tuesday night in the high school auditorium.

for eight consecutive weeks.

Any adult interested in the subject, especially parents desiring to keep abeast of their children in the new techniques of computation, still may join the class at the next seni may join the class at the next meeting in the high school audi-torium Tuesday, February 16. Reg-istration will be before the start of the class at 7:30 p. m. The only charge is \$3 registration fee.

Vegetables Are Bringing Good \$ \$

Following the freeze a weeks ago vegetable prices beginning to firm up and beginning to firm up and today they are bringing prices profitable to growers. The one fly in the ointment is that the supply is scarcer than it ordinarily would be at this time of year. Leafy crops in the Belle Glade area are bringing fair prices. Corn—what there is here — and

on the east coast is bringing the season's top price of \$4.00 per crate. Beans are as scarce as hen's

celery is being harvested in good amount and the price is steady around \$2.25 per crate. Pepper is bringing from \$2.75 to \$3.25 per

Mackey Airlines Passenger Increase

FORT LAUDERDALE- Mackey Airlines was one of the lead-ers among U. S. scheduled airlines in percentage of passenger crease in 1964.

"Mackey's increase per cent", reports Charles C. Rudd, the airline's sales manager. "Our traffic in 1963 totaled 123,096. In

1964, we jumped to 202,497."
Mackey began operation in 1953
with one scheduled route between Fort Lauderdale and Nassau. That year, the airline carried a total of

year, the airline carried a total of 15,638 passengers.

The airline is now the leading U. S. scheduled carried to the Ba-hama Islands as it services the area's major resorts from Florida

The exceptional increase in passenger traffic was reportedly due to the introduction and addition of Freeport, Grand Bahamas Is-land, to Mackey's schedule.

Johnny Spence Will Speak February 24

Johnny Spence will be speaking in Canal Point Baptist Church on Wednesday, February 24, at 7:45 p. m. Mr. Spence, at the age of 17, was one of the youngest professional goifers in America. He sold his life to the price of sin to enter the chambers of death. At the service he will speak of his "Return" vice he will speak of his "Return from the Dead". All the entire community is invited to hear this man who has given his life to touch young people.

New 34% interest **U.S. Savings Bonds**

The Treasury explains why the new ones you buy and the ones vou own now are better than ever

- Q: How does the new 33/4% interest rate benefit me?

Q: How does the new 3½% interest rate benefit mer a: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months. With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to 2½% for the first year and a half; then a guaranteed 4% each year to maturity.

- Q: When did the new rate become effective?
- A: June 1, 1959.
- Q: Does the new rate change the Bonds I bought be-
- fore June 1, 1959?

 A: All older E and H Bonds pay more now—an extra
 ½% from now on, when held to maturity. The increase takes effect in the first full interest period
 after June 1.
- Q: Will the Bonds I own automatically earn their new rate?
- A: Yes. You don't need to do a thing-just hold on to
- 9: When my E Bonds mature, will they keep on earning interest?
- A. Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earn-ing interest after maturity.
- G. With the new interest rate, should I cash in my old Bonds and buy new ones? As No. The automatic 14% increase makes it unnecessary—and in almost every one it is to your advantage to retain your present Bonds. G. How are series H Bonds different from series B
- Bonds?
- Bonds:
 The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

- Q: In what denominations can I buy series E and series H Bonds?
- A: Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$15.00), \$500 (cost \$75.00), \$1,000 (cost \$75.00), \$1,000 (cost \$75.00.00).

 H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.
- Q: How safe are U.S. Savings Bonds?
- A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the tash value of your Bonds will not drop, that it can only grow.
- Q: What if my Bonds should be lost, stolen or de-
- At You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.
- Q: Where can I buy Bonds?
- G. Where can I buy Bonds?
 As Buy E Bonds at any bank—it takes only a few minutes. Buy them surformatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically, deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.
 Gr How do I help strengthen America's peace power when I buy U.S. Savings Bonds?
 A Peace costs money—money for military strength.
- At Peace costs money money for military strength and for acience, And money saved by individuals helps keep our economy sound.

SOUTHEAST FLORIDA DAIRY 'INSTITUTE

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with

Taylor Circle Met At Stewart Home

The Alberta Taylor circle of the Canal Point Baptist church met at the home of Mrs. Lawrence Stewart, Monday night and voted to package health kits for their mission work this month. In business they discussed purchasing "snack sets" for the church for the church kitchen.

March 2 has been chosen as the date for the mission study on the book "Winds of Change" which will be taught by Mrs. R. J. Max-son, in the educational building from 6:30 till 9:30 p. m. The March meeting will be held at the home of Mrs. Charles Brown.

Mrs. Martha McIntosh and Miss Julia Mathis spent this past week-end as the guests of Mrs. McIn-tosh's daughter and family, Mr. and Mrs. Sidney Stubbs in Gaines ville.

Sorority Hears How To Use Lighting

The Xi Alpha Mu Chapter of Beta Sigma Phi met Thursday night, February 4, in the home of Mrs. Donna Plumer with Mrs. Lavinia Parker and Mrs. Grace Maxson, as co-hostesses. Mrs. Catherine Kennedy, in charge of the program, introduced Mrs. Kay Latham, representative of Florida Power and Light, as guest speak-er and Paul Collier, representative of the local office.

Mrs. Latham presented the program, "Lighting Ideas for Modern Living". She gave interesting comments on the color slides being shown by Mr. Collier.

Following the program, president Evelyn Lair called the business meeting to order. It was announced that Mrs. Lair and Mrs. nounced that Mrs. Lair and Mrs.
Kathryn Cunningham will attend
the Beta Sigma Phi'area luncheon,
February 13, at West Palm Beach.
Mrs. Sarah Thomas reported on
the meeting held at the Belle
Glade Chamber of Commerce con-

cerning the road safety along the

canals.

A nominating committee for next year's slate of officers was elected as follows, Mrs. Ev a Spooner, chairman; Mrs. Dorothy Hillier and Mrs. Joan Tucker. At the close of the meeting refreshment were avered. ments were served.

Patterson Circle In Monday Meeting

The Ione Patterson circle me at the Canal Point Baptist church at the Canal Point Sapust caurein Monday afternoon, Feb. 8, with Mrs. J. L. McCall, circle chairman, presiding. Mrs. C. B. Jones pre-sented the program, "Application of Christian Principals." Mrs. J. E. Williams and Mrs. M. F. George

gave the devotionals.

The next meeting will be March
8 at the home of Mrs. Paul Rardin with Mrs. Alma Nall in charge of the program.

Diazinon controls most Florida vegetable insects.

Diazinon insecticide is the only product you need to control most of the major insects of Florida vegetable crops. Here's the kind of "money-in-the-bank" program that Diazinon can provide:

Diazinon simplifies your spray program. It reduces the need to use several different insecticides. You spray less when you spray with Diazinon. So you save time and

You kill insects quickly with Diazinon. And the "staying power" of Diazinon provides outstanding control of problem insects like aphids, Southern armyworms and leaf miners for a long time.

You can use Diazinon throughout the seasons. And close to har-

vest . . . without residue problems.
So take advantage of the benefits of superior vegetable foliar in-sect control with Diazinon. Order dependable Diazinon 50W wettable powder, or Diazinon AG500 emulsifiable concentrate, from your local supplier today

Geigy Agricultural Chemicals, Division of Geigy Chemical Cor-poration, Ardsley, New York.

Commission Chairman Lake Lytal said he believed both Johnston and Lilienthal should be kept on the county payrol in view of the many legal problems pending with bond issue, condemnation suits, and legislative work. Commissioner E. W. Weaver said he agreed and he was the commissioner that finally made the mo-

tion to keep Johnston and Lilienthal on the job—a motion that was seconded by Banglow.

FARM BUREAU MEET

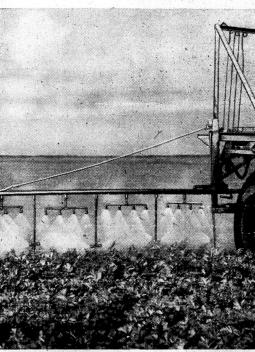

The Florida Farm Bureau Federation will hold its 1985 state convention in Clearwater. The announcement was made in Gainesville from the state-wide farm organization's headquarters building. Headquarters for the convention will be the Jack Tar Hotel and the time will be the second or third week in November.

Dinner Party Given For Hurt - Thompson

The home of Mr. and Mrs. Robert M. McIntosh, 155 N. Greenstar Ave, was the scene of a dinner party Saturday night, Jan. 30, honoring Miss Alice Elaine Hurt and Donald Thompson. Assisting Mr. and Mrs. E. D. Sims, Jr. The couple was presented with a Kromex Lazy Susan, a gift from the hosts, following the dinner.

Early and mid-season control with Phosdrin hits insects hard, cleans them up fast.

Close-to-harvest insect control with Phosdrin gives you an unbeatable way to insure crop quality.

Now, Phosdrin is an all-season insecticide

-vegetable growers are using its hard-hitting control and fast disappearance in every spray.

The special effectiveness that has always made Phosdrin* Insecticide profitable for late-season use is now protecting vegetables throughout their growth. Here's why:

THE 5- to 7-day spray schedules authorities now recommend have changed the role of Phosdrin. With its rapid speed of kill and near-perfect insect control, Phosdrin is extremely effective in the new short-interval spray schedules.

Also important in the new programs: Phosdrin is competitive on a cost per acre basis and its fast disappearance eliminates problems.

Insects and residues both vanish

A Phosdrin spray cleans up a broad spectrum of insects in a matter of minutes—aphids, mites, loopers, worms, almost all destructive pests attacking vegetables. Because control is so thorough, insects can't build to damaging levels between sprays. And, of course, accidental drift to a nearby field also disappears rapidly.

Phosdrin makes it easy to avoid problems all season and close to harvest. It's gone from the field a few hours after application.

Complete control is economical

Phosdrin alone, protects lettuce, tomatoes, beans, peppers, celery, watermelons, eggplant and many other vegetables. There's no need to add another insecticide and raise costs... even if resistant insects are present. Phosdrin stops them too. And it offers a wide margin of safety to leaves and fruit of insecticide sensitive crops like cucumbers and lettuce.

A little Phosdrin goes a long way. As little as ¼ pound per acre is all it takes to end the damage of most vegetable insects. Dosage rates seldom exceed ½ pound per acre. Check

into costs and consider the overall protection Phosdrin gives you and your crop, and you'll see why it pays to use Phosdrin all season.

Phosdrin is available from your local insecticide dealer under many well-known brand names, or as a product of Shell. In liquid or dust.

Shell Chemical Company, Agricultural Chemicals Division, 55 Marietta Street, N.W., Atlanta 3, Georgia.

Always read and carefully follow label directions.
